

3rd European Water & Wastewater Management

Conference - Call for Presentations

22-23rd September 2009, ThinkTank, Birmingham, UK

www.ewwmconference.com

The Call for Presentations for the 3rd European Water and Wastewater Management Conference has now been released and Aqua Enviro are inviting presentations from water & wastewater practitioners. The conference will be held on 22-23rd September at the ThinkTank, Birmingham (www.thinktank.ac)

The conference programme will include invited Keynote speakers, workshops, master classes and technical sessions. Aqua Enviro are looking for interesting and novel case studies, operating experiences and problems, outcomes of successful research projects, insights into application of legislation and future legislative changes.

If you would like to present at the conference please submit a 150 word abstract to: franceseldon@aquaenviro.co.uk by Friday 3rd April.
